Provided also that a member of the Service may opt to continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale. The option shall be exercised in accordance with such orders as may be issued by the Central Government in this behalf.

Explanation 1. - The option to retain the existing scale under the proviso above shall be admissible only in respect of one existing scale.

Explanation 2. - The said option shall not be admissible to any person appointed to the Service on or after the 1st day of January, 1996 and he shall be allowed pay only in the revised scale.

Explanation 3. - Where a member of the Service exercises an option under the proviso above to retain the existing scale in respect of a post held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale, his substantive pay shall be the substantive pay which he would have drawn had he retained the existing scale in the permanent post on which he holds lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force whichever is higher.

(2)(i) Appointment to the Selection Grade and to posts carrying pay above this grade in the Indian Forest Service shall be made by selection on merit, as per the criteria that may be prescribed by the Central Government, with due regard to seniority:

Provided that a member of the Service shall be appointed to the IInd Super Time Scale mentioned in sub-clause (ii) of clause (C) of sub-rule 1 of this rule only after completion of phase IV mandatory Mid Career Training as prescribed by the Central Government.

(ii) Appointment of a member of the Service in the scale of Selection Grade and above shall be subject to availability of vacancies in these grades and for this purpose, it shall be mandatory upon the State Cadres or the Joint Cadre Authorities, as the case may be, to seek prior concurrence of the Central Government on the number of available vacancies in each grade.

(iii) The Central Government shall accord such concurrence within a period of thirty days from the date of receipt of such references and if the Central Government does not accord concurrence within a period of said thirty days, the concurrence on availability of vacancies shall be deemed to have been accorded. The position emanating as referred to in this clause shall be placed before the Screening Committee at the time it meets to consider promotion in these grades.

(iv) A member of the Service shall be entitled to draw pay in the scales of Selection Grade and above only on appointment to these grades.

4. Fixation of pay in the revised scales. - (1) The initial pay of a member of the Service who opts or deemed to have opted in accordance with these rules, to be governed by the revised scale on and from the 1st day of January, 1996 or from a later date, which shall be re-fixed as from that date separately in respect of his

substantive pay in the permanent post on which he holds a lien or would have held a lien had it not been suspended, and in respect of his pay in the officiating post held by him, in the following manner, namely:-

(A) in the cases of all members of the Service,-

(i) an amount representing forty per cent of the basic pay in the existing scale shall be added to the `existing emoluments' of the member of the Service;

(ii) after the "existing emoluments" have been so increased, the pay shall thereafter be fixed in the revised scale at the stage next above the amount computed:

Provided that –

(a) if the minimum of the revised scale is more than the amount so arrived at, the pay shall be fixed at the minimum of the revised scale;

(b) if the amount so arrived at is more than the maximum of the revised scale, the pay shall be fixed at the maximum of that scale:

Provided further that where in the fixation of pay, the pay of a member of the Service drawing pay at more than four consecutive stages in an existing scale gets bunched, that is, gets fixed in the revised scale at the same stage, the pay in the revised scale of such member of the Service who is drawing pay beyond the first four consecutive stages in the existing scale shall be stepped up to the stage where such bunching occurs, by the grant of increments in the revised scale in the following manner, namely:-

(a) for a member of the Service drawing pay from the 5th up to the 8th stage in the existing scale, by one increment;

(b) for a member of the Service drawing pay from the 9th up to the 12th stage in the existing scale, if there is bunching beyond the 8th stage, by two increments;

(c) for a member of the Service drawing pay from the 13th up to the 16th stage in the existing scale, if there is bunching beyond the 12th stage, by three increments.

If by stepping up of the pay as referred above, the pay of a member of the Service gets fixed at the stage in the revised scale which is higher than the stage in the revised scale at which the pay of a member of the Service who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up to the extent by which it falls short of that of the former:

Provided also that while fixing the pay it shall be ensured that every member of the Service shall get at least one increment in the revised scale of pay for every three increments (inclusive of stagnation increments), if any, in the existing scale of pay.

Explanation. - For the purposes of this clause, "existing emoluments" shall include -

(a) the basic pay in the existing scale;

- (b) dearness allowance appropriate to the basic pay admissible at index average 1510 (1960 = 100); and
- (c) the amounts of first and second instalments of interim relief admissible on the basic pay in the existing scale.

(B) in the case of a member of the Service who is in receipt of special pay component with any other nomenclature in addition to the pay in the existing scale, such as personal pay for promoting small family norms, Central (deputation on tenure) Allowance, etc., and in whose case the same has been replaced in the revised scale with corresponding allowance or pay at the same rate or at a different rates, the pay in the revised scale shall be fixed in accordance with the provisions of clause (A) and in such cases, the allowance at the new rate as recommended, shall be drawn in addition to the pay in the revised scale of pay.

Note 1: Where the increment of a member of the Service falls on 1st day of January, 1996, he shall have an option to draw the increment in the existing scale or the revised scale.

Note 2: Where a member of the Service is on leave other than the Study Leave granted under the All India Services (Study Leave) Regulations, 1960, on the 1st day of January, 1996, he shall become entitled to pay in the revised scale of pay from the date he resumes duty and in case of a member of the Service under suspension, he shall continue to draw the subsistence allowance based on the existing scale of pay and his pay in the revised scale of pay will be subject to the final order in the pending disciplinary proceedings.

Note 3: Where the existing emoluments as calculated in accordance with clause (A) or clause (B), as the case may be, exceed the revised emoluments in the case of any member of the Service, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note 4: Where in the fixation of pay under these rules, pay of a member of the Service who in the existing scale was drawing immediately before the 1st day of January, 1996, more pay than another member of the Service junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised scale as that of the junior.

Note 5: Where a member of the Service is in receipt of personal pay on the 1st day of January, 1996, which together with his existing emoluments as calculated in accordance with clause (A) or clause (B), as the case may be, exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such member of the Service as personal pay to be absorbed in future increases in pay.

Note 6: -Where a senior member of the Service is promoted to a higher post before the 1st day of January, 1996 and is drawing less pay in the revised scale than his junior who is promoted to the higher post on or after the 1st day of January, 1996, the pay of the senior member of the Service shall be stepped up to an amount equal to the pay as fixed for his junior in that higher post and the stepping up shall be done with effect from the date of promotion of the junior member of the Service subject to the fulfillment of the following conditions, namely:-

- (a) both the junior and the senior member of the Service shall belong to the same cadre and the post in which they have been promoted shall be identical in the same cadre;
- (b) the pre-revised and revised scale of pay of the lower and higher posts in which they are entitled to draw pay shall be identical;
- (c) the senior member of the Service at the time of promotion has been drawing equal or more pay than the junior; and
- (d) the anomaly shall be directly as a result of the application of the provisions of this clause. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increment granted to him, provisions of this clause need not be invoked to step up the pay of the senior member of the Service.

Note 7 : The order relating to re-fixation of the pay of the senior member of the Service in accordance with the above provisions shall be issued under the relevant rules and the senior member of the Service shall be entitled to the next increment on completion of his required qualifying service with effect from the date of re-fixation of pay.

Note 8: Subject to the provisions of sub-rule (1) of rule 3, if the pay as fixed in the officiating post under this rule is lower than the pay fixed in the substantive post, the former shall be fixed at the stage next above the substantive pay.

Note 9: In the case of a member of the Service who is in receipt of personal pay for passing Hindi Pragma and such other examinations under the Hindi Teaching Scheme prior to the 1st day of January, 1996, while the personal pay shall not be taken into account for the purpose of fixation of initial pay in the revised scale, he shall continue to draw personal pay after fixation of his pay in the revised scale on and from the 1st day of January, 1996 or subsequently for the period for which he would have drawn it but for the fixation of his pay in the revised scale and the quantum of such personal pay shall be paid at the appropriate rate of increment in the revised scale from the date of fixation of pay for the period for which the member of the Service would have continued to draw it.

Explanation. - For the purposes of this rule, "appropriate rate of increment in the revised scale" means the amount of increment admissible at and immediately beyond the stage at which the pay of the member of the Service is fixed in the revised scale.

(C) Where a member of the Service continues to draw his pay in the existing scale and opts for revised scale from a date later than the 1st day of January, 1996, his pay from the later date in the revised scale shall be fixed under these rules and for this purpose his pay in the existing scale shall be the same as of existing emoluments as calculated in accordance with clause (A) or clause (B), as the case may be, subject to the conditions that the basic pay to be taken into account for calculation of those emoluments shall be the basic pay on the later date and where the member of the Service is in receipt of special allowance, his pay shall be fixed after deducting from those emoluments an amount equal to the special allowance at the revised rates appropriate to the emoluments so calculated.

5. Fixation of initial pay. - (1) The initial pay of a direct recruit shall be fixed at the minimum of the Junior Scale:

Provided that, if a direct recruit holds a lien, or would hold the lien, had his lien not been suspended on a permanent post, under the rules applicable to him prior to his appointment to the Indian Forest Service, his initial pay shall be regulated in the following manner, namely:-

(a) he shall, during the period of probation, draw the pay of the permanent post, if it is more than the minimum of the Junior Scale and on confirmation in the Indian Forest Service;

(b) if he was holding a Class I post before appointment to the Service, his pay shall be fixed at the same stage as the pay in the Class I post if there be such a stage in the Junior Scale admissible to a member of the Service, or at the next lower stage, if there is no such stage in the Junior Scale admissible to a member of the Service and where the pay so fixed in the Service is less than his pay in the Class I post, he shall be allowed the difference as personal pay to be absorbed in future increments; and

(c) if he was holding a post lower than a Class I post, his pay shall be fixed at the stage next above the pay notionally arrived at by increasing his pay in respect of the lower post by one increment at the stage at which such pay had accrued;

(d) he shall however, cease to earn any increments in the Junior Scale, until, having regard to his length of service, he becomes entitled to a higher pay:

Provided further that he shall draw the pay admissible under rule 9 if that is more than the pay referred to in the preceding proviso.

(2) The pay of a member of the Service in the Junior Scale shall, on appointment to a post in the Senior Time Scale, be fixed at the stage next above the pay notionally arrived at by increasing his pay in lower scale by one increment at the stage at which such pay accrued (or by an amount equal to the last increment in the lower scale if he was drawing pay at the maximum of the lower scale) or the minimum of the higher scale, whichever is higher.

(3) The initial pay of a State Forest Service officer, on his appointment to the Service or on appointment in a cadre post in an officiating capacity in accordance with rule 9 of the Indian Forest Service (Cadre) Rules, 1966, as the case may be, shall be fixed as per the principles laid down in the Schedule I. Further pay and incremental benefits shall accrue to him under the other relevant provisions.

(4) The pay of a member of the Service in the Senior Time Scale shall, on appointment to the Junior Administrative Grade, be fixed at the stage which is equal to his pay in the Senior Time Scale or if there is no such stage, at the stage next above that pay, or the minimum of the Junior Administrative Grade, whichever is higher.

(5) The pay of a member of the Service in the Junior Administrative Grade shall, on appointment in the Selection Grade, be fixed in the same manner as provided in sub-rule (4).

(6) The pay of a member of the Service in the Selection Grade, on appointment to the 1st Super Time Scale or in the 1st Super Time Scale to another Supertime Scale or in the Supertime Scale to the 1st Above Super Time Scale, or in the 1st Above Supertime Scale to another Above Supertime Scale, shall be fixed in the same manner as provided in sub-rule (2).

(7) On promotion from one grade to another in the Service, a member of the Service shall have an option to get his pay fixed in the higher scale either from the date of his promotion in the manner provided in the sub-rule (2) above or from the date on which he subsequently earns an increment in the lower scale. In the latter case, pay on the date of promotion shall first be fixed in the higher scale as per the provisions of sub-rule(4) above in cases of promotion in the Junior Administrative Grade or Selection Grade and at the stage above the pay in the lower scale in other cases, with further re-fixation in the manner provided in sub-rule (2) on the date of accrual of the next increment in the lower scale. The date of next increment in such a case shall fall on completion of twelve months' qualifying service from the date the pay is re-fixed on the second occasion. The option shall be exercised within one month of the promotion and shall be final.

6. Regulation of increments.- (1) Subject to any order passed by the State Government concerned, under rule 7 or rule 8 or rule 9, the increment admissible to a member of the Service appointed under rule 7 or rule 7A of the Indian Forest Service (Recruitment) Rules, 1966, shall accrue on the expiry of each year of the qualifying service:

Provided that the increments thus falling due shall accrue on the first day of the month in which they would have accrued.

(2) Subject to the provisions of clauses (2) and (3) of Schedule I, in the case of a promoted officer the increments shall accrue on completion of each year of qualifying service from the date his pay has been fixed in accordance with the provisions contained in Schedule I and the same principles shall apply in cases where appointment to the service is preceded by officiation on a cadre post:

Provided that the increments thus falling due shall accrue on the first day of the month in which they would have accrued:

Provided further that for the purpose of calculating one year's service for drawing of increment, broken period of service rendered in a cadre post shall be taken into account.

(3) The next increment of a member of the Service whose pay has been fixed in the revised scale in accordance with rule 4 shall be granted on the date he would have drawn his increment, had he continued in the existing scale:

Provided that where the pay of a member of the Service is stepped up in accordance with the second proviso of clause (A) of rule 4 and clause (B) of said rule, the next increment shall be granted on the date of drawing of increment by the member of the Service with reference to whose pay such stepping up has been allowed:

Provided further that in other cases, the next increment of a member of the Service whose pay is fixed on the 1st day of January, 1996 at the same stage as the one fixed for another member of the Service junior to him in the same cadre and drawing pay at a

lower stage than him in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier:

Provided also that in case of a member of the Service who had been drawing maximum of the existing scale for more than a year as on the 1st day of January, 1996, the next increment in the revised scale shall be allowed on the 1st day of January, 1996.

(4) All leave except extraordinary leave taken otherwise than on medical certificate or the State Government concerned is satisfied that the leave have been taken for any cause beyond the control of the member of the Service or for prosecuting studies which are in public interest and for which study leave could otherwise be granted under the All India Services (Study Leave) Regulations, 1960, shall count for increment applicable in the scale of pay of a post held by him at the time he proceeded on such leave.

(5) The period of deputation out of India shall also be so counted and the counting of the said period for increments shall be subject to the condition that the member of the Service would have continued to hold that post but for his proceeding on such leave or deputation out of India:

Provided that where the leave is not counted for increment under this sub-rule and sub-rule (4), it shall have the effect of postponing the next increment to the extent of the period involved.

(6) The increments admissible to a member of the Service in a pay scale specified in sub-rule (1) of rule 3 shall be regulated with reference to the length of his service including broken period of service rendered in that scale of pay and the previous service, if any, shall also count for increment, if it is -

- (i) service in a cadre post; or
- (ii) service in a permanent or temporary post (including a post in a body incorporated or not, which is wholly or substantially owned or controlled by the Government) in the said scale or in a higher scale of pay:

Provided that the service in a post outside the cadre, including service in a post under the Central Government, shall count for increment on reversion to the cadre, subject to the following conditions, namely:-

(a) The member of the Service should have been approved by the Government of the State on the cadre of which he is borne, for appointment to posts in the said scale;

(b) All his seniors in the cadre, except those regarded as unfit for such appointment, were serving in posts carrying pay in the said scale in which the benefit is to be allowed or in higher posts, and at least one junior was holding a cadre post, or an ex-cadre post within the permissible State Deputation Reserve or the over-utilised State Deputation Reserve permitted by the Central Government, under the Government of the State on the cadre of which he is borne, carrying pay in the said scale; and

(c) the service shall count from the date on which his junior is so promoted and the benefit shall be limited to the period during which he would have held a post under the Government of the State on the cadre on which he is borne.

(7) A member of the Service, while holding post outside the cadre, including a post under the Central Government, may be granted proforma promotion to a post in the scale of pay above the time scale of pay specified in rule 3 by the Government of the State on the cadre to which he is borne.

(8) In case of a member of the Service being cleared for proforma promotion in the Super Time Scale and the Above Super Time Scale, the period of service covered by the proforma promotion shall, on his subsequent reversion to the cadre and appointment to a post in the said scale, count towards the initial fixation of pay and increments subject to the following conditions, namely:-

- (i) the member of the Service concerned should have been approved by the State Government for appointment to the said scale during the relevant period;
- (ii) all his seniors (excluding those considered unfit) should have started drawing pay in that scale on or before the date from which the proforma promotion is granted to him;
- (iii) the junior next below the officer (or, if that officer has been passed over for the reason of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or forgoes promotion on his own volition to that grade, the officer next junior to him not so passed over) should also have started drawing pay in that scale from that date and his appointment thereto not being fortuitous; and
- (iv) the benefit should be allowed on 'one for one' basis.

(9) When a member of the Service holds an ex-cadre post in a time scale of pay identical with the time scale of pay of an ex-cadre post held by him on an earlier occasion, his initial pay in the latter ex-cadre post shall not be less than the pay which he drew on the previous occasion and he shall count the period during which he drew that pay on such last and on any previous occasion for increment in the stage of the scale equivalent to that pay and the service so rendered shall, on his reversion to the cadre, count towards initial fixation of pay to the extent and subject to the conditions stipulated in sub-rule (6).

(10) Where a member of the Service is on leave other than the study leave granted under the All India Service (Study Leave) Regulations, 1960, on the date on which an increment becomes due, he shall get the benefit of the same, if otherwise admissible under the rules, from the date he resumes duty but it does not postpone his normal date of increment in future.

(11) No member of the service shall be eligible for drawing increment after completion of 28 years of service unless he completes the Phase V of the mandatory Mid Career Training programme as prescribed by the Central Government.

7 Stagnation increments.- A member of the Service drawing pay in the Junior Scale or Senior Scale or Super Time Scale(s) shall be eligible for one increment

equivalent to the last rate of increment, for every two years of service rendered after reaching the maximum of that scale, subject to a maximum of three increments.

8. Withholding of increments.- The State Government may withhold, for such time as it may direct, an increment due to any direct recruit appointed to the Indian Forest Service, who fails to pass the departmental examination or examinations within such time as the State Government may by general or special order, prescribe, but the withholding of such increments shall have no cumulative effect.

9. Grant of advance increments.- Notwithstanding anything contained in rule 13 of the Indian Forest Service (Probation) Rules, 1954, the State Government shall sanction the second and third increments due to a direct recruit as soon as he passes the prescribed departmental examination or examinations irrespective of the length of service, after which he shall be entitled to draw pay at the rate corresponding to his position in the time scale:

Provided that the third increment under this rule shall be granted retrospectively from the date of passing the prescribed departmental examination, or the last of the prescribed departmental examinations, as the case may be, on the successful completion of the probation and confirmation:

Provided further that a direct recruit who has been exempted from appearing for the whole or any part of the departmental examination or examinations, as the case may be, for the reason that he had already passed such examination or examinations or part thereof before he became a member of the Service, shall, for the purpose of this rule, be deemed to have passed the departmental examination or examinations or part thereof, as the case may be, from the date of the earliest of such examination or examinations or part thereof, in which he would have appeared, but for the exemption, after he became a member of the Service.

10. Pay of officers holding posts included in Schedule II.- A member of the Service appointed to hold a post specified in Schedule II shall, for so long as he holds that post, be entitled to draw the pay indicated for that post in the said Schedule plus Special Allowance or Central (Deputation on Tenure) Allowance, wherever admissible:

Provided that such pay shall not at any time be less than the pay admissible under rules 5 and 6 of these rules.

11. Pay of members of the Service appointed to posts not included in Schedule II.- (1) No member of the Service shall be appointed to a post other than a post specified in Schedule II, unless the State Government concerned in respect of posts under its control, or the Central Government in respect of posts under its control, as the case may be, make a declaration that the said post is equivalent in status and responsibility to a post specified in the said Schedule.

(2) The pay of a member of the Service on appointment to a post other than a post specified in Schedule II shall be the same as he would have been entitled to, had he been appointed to the post to which the said post is declared equivalent.

(3) For the purpose of this rule, post other than a post specified in Schedule II includes a post under a body (incorporated or not), which is wholly or substantially owned or controlled by the Government.

(4) Notwithstanding anything contained in this rule, the State Government concerned in respect of any post under its control, or the Central Government in respect of any post under its control, may, for sufficient reasons to be recorded in writing, where equation is not possible, appoint any member of the Service to any such post without making a declaration that the said post is equivalent in status and responsibility of a post specified in Schedule II.

(5) A member of the Service on appointment to a post referred to in sub-rule (4), in respect of which no pay or scale has been prescribed, shall draw such rate of pay as the State Government, in consultation with the Central Government in the case of a post under the control of the State Government, or as the Central Government in the case of a post under the control of the Central Government may, after taking into account the nature of duties and responsibilities involved in the post, determine.
