Annual Review of Internal Audit 2014-2015

PREFACE

It gives me great pleasure in bringing out the Annual Review of Internal Audit of the Ministry of Personnel, Public Grievances& Pensions (PPG&P) for the year 2014-15.

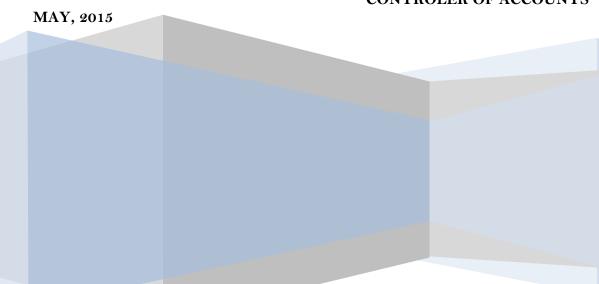

In the departmentalized accounting set up, role of the Internal Audit is to ensure proper maintenance of records, proper application of rules, regulations and instructions issued by the Government of India from time to time and also ensure accuracy in accounts and efficiency in operation. Basic role of the Internal Audit is to point out grey areas where authorities have to immediately focus its attention and help government take timely decision for corrective action. Keeping this aspect in view, this volume of the "Annual Review – Internal Audit 2014–15" is brought out only to point out irregularities of deficiencies which need immediate attention of the Head of the Departments. Other observation – procedural in nature – which find mention in regular reports, already issued to the audited offices, have been incorporated mainly to put across the point that by following mundane procedures and maintaining basic books, such Para(s) can be avoided.

I would like to place on record our deep appreciation of the cooperation extended by various units of the Ministry during the course of Audit. I would also wish to acknowledge and appreciate the hard work of all officers and staff of Internal Audit wing. I also record my appreciation for all officers and staff of the audited offices in rendering active cooperation during inspection of the records and providing necessary help and support to the audit team members.

The contents of the review are based on the information elicited from various units audited during the year 2014-15.

Suggestion for improvement, if any, will be gratefully appreciated. The errors and omissions noticed may please be communicated to the e-mail- prao-dopt@nic.in.

6 General conditions of maintenance of records. Areas in which distinct improvement have been noticed as a result of Internal Audit.

In most of the offices, records are poorly maintained. Improvement noticed as a result of Internal Audit is detailed as under:

- (i) Internal Audit is instrumental in pointing out excess expenditure, wastage and losses, delay in collection of government dues and overpayment to employees and private parties.
- (ii) Improvement has been noticed as a result of Internal Audit in adjustment of advances, control of expenditure and maintenance of records in many units.
- (iii) Improvement has been noticed in observation of financial rules.
- (iv) Internal Audit also helped to detect and rectify mistakes before the financial year.
- 7 Broad reasons for above and remedial measures, if any, taken or proposed to be taken.
 - I. Posting of untrained staff for accounts work in Ministry/Department/Offices, because of which, the quality of work is reduced/hindered
 - Frequent transfer/posting of staff members involved in cash and accounting functions.
- III. Proper training of the staff in cash and accounting functions and avoidance of frequent transfers may enhance the quality of work and condition of the offices.

8 Whether any merged DDO system is working under the Ministry and if so, how is its performance.

There are four merged DDO's in this Ministry. They are observed to be performing very well. These include:-

- (i) The Department of Personnel & Training (DOPT)
- (ii) Department of Pension & Pensioners' Welfare (PPW)
- (iii) Department of Administrative Reforms and Public Grievances (ARPG)
- (i) Ministry of Parliamentary Affairs.

11 OBJECTIVES AND SCOPE OF AUDIT.

The Internal Audit Wing works directly under the control of Controller of Accounts Ministry of PPG&P through a Deputy Controller of Accounts with overall responsibility remaining with Financial Adviser and the Secretary of the Ministry of PPG&P. Principal Accounts Office, Pay and Accounts Offices as well as all the DDOs in the Ministries/Departments are within the jurisdiction of internal audit. In addition to these officers, internal audit shall be required to audit the agencies responsible for implementing various schemes and programs of the Ministry/Department. The periodicity of Internal Audit is decided on the basis of size and Budget provision of the offices.

Internal Audit also checks the initials accounts maintained in the executive offices to ascertain the extent of following of the rules and regulations, systems and procedures in accounting and financial matters. The scrutiny covers checking of all accounting records relating to physical verification of stores. The accounts of all grantee Institutions or organizations is also subject to inspection by the sanctioning authority and audit, both by the Comptroller and Auditor General of India under the provision of CAG (DPC) Act 1971 and internal audit by the PrAO (PPG&P), whenever the Institution or Organization is called upon to do so. A provision to this effect should invariably be incorporated in all orders sanctioning grant in aid (Civil Accounts Manual Para 12.1.2)

12. METHODOLOGY

The audit inspected all the service records, records related to assets, cash book and cash vouchers of the selected months to conduct the compliance audit. The audit also discussed the audit scope and audit points during entry and exit meetings.

13. KEY RISKS

In most of the offices, the records are being handled by the private hired contract employees. There is a need to properly regulate their functioning and watch over their activities.

14 SPECIAL ACHIEVEMENTS

Despite shortage of staff in Internal Audit Wing, 35 units have been audited successfully.

15 SUGGESTIONS, IF ANY, MADE BY INTERNAL AUDIT LEADING TO ECONOMY IN EXPENDITURE OR RECOVERY OF OVER-PAYMENTS.

Recovery of overpayments made has been advised. Further, the auditee units have also been suggested to adhere with the rules and regulations as enumerated in GFR and other procurement manuals read with the economy instructions issued by the Ministry of Finance, Government of India from time to time.

17 CONCLUSION.

The inspection parties while inspecting the accounts and other records render all possible assistance and guidance to the administrative authorities in the rectification of omissions/ clearance of arrears and correct application of rules and procedures. Internal Audit Wing is functioning now as guide in order to achieve both – the results for outlays and fulfillment of objectives; rather than merely acting as a fault finding agency. In-spite of problems and constraints Internal Audit Wing is functioning satisfactorily
