Government of India
Ministry of Personnel, Public Grievances and Pensions
Department of Personnel & Training
(Training Division)

Old JNU Campus, Block IV, 3rd Floor,
New Mehrauli Road, New Delhi – 110067
Dated the 23rd December, 2024

OFFICE MEMORANDUM

Subject: Mapping of Training Institutions on PM GatiShakti platform - reg...

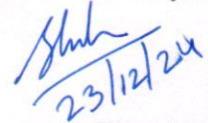

The undersigned is directed to refer to the subject cited above and to say that PM GatiShakti National Master Plan (PMGS-NMP) was launched on 13th October 2021 to promote holistic and integrated planning and development of infrastructure in the country. To further boost the initiative, it has been decided that all the Training Institutions be mapped on the GatiShakti platform.

2. Accordingly, with the support of BISAG (N), this Department has developed an application (app) for capturing basic details of all Training Institutions including nodal officers and location.

3. In view of the above, all the Training Institutions are requested to provide the requisite information w.r.t. their Training Institute through the app. The Android platform-based application may be downloaded from <https://apps.mgov.gov.in/app-info/2504>. A Standard Operating Procedure (SOP) detailing the steps for using the app is also attached herewith for information.

Encl: As Above

Yours faithfully,

(Shampa Ghosh)

Under Secretary to the Government of India

Tele: 011-26706377

To:

1. The Secretaries of Ministries/ Departments of Govt. of India - With a request to direct all Training Institutions under the administrative control of respective M/D to fill the information through the app.

2. The Director/ Director Generals of CSTIs and State ATIs (as per mailing list)

Copy to:

NIC, Training Wing, DoPT - With a request to upload the contents of this OM in this Department's website

DoPT APP

User Manual

STEP 1: User has to register before filling the details via App

Click on “Register Now” to register on the app.

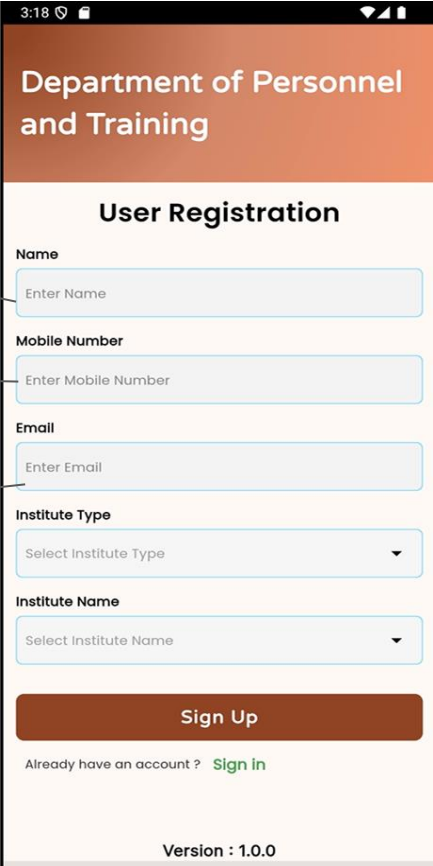

The screenshot shows the registration interface of the Department of Personnel and Training app. At the top, the title "Department of Personnel and Training" is displayed in white on a dark orange background. Below the title, there is a "Mobile Number" field with a phone icon and the placeholder text "Enter Mobile Number". To the right of the mobile number field is a "Captcha Code" field containing the numbers "677032" and a refresh icon. Below these fields is a large orange button labeled "Send OTP". At the bottom, there is a link that says "Don't have an account" followed by a right-pointing arrow and a red-bordered button labeled "Register Now". The top status bar shows the time as 3:18 and various system icons.

STEP 2: USER REGISTRATION DETAILS

Enter the name of the user

Enter the mobile number of the user

Enter the Email Id of user

The image shows a mobile application interface for user registration. At the top, there is a header with the text "Department of Personnel and Training" in white on an orange background. Below this, the title "User Registration" is centered. The form consists of several input fields: "Name" (text input), "Mobile Number" (text input), "Email" (text input), "Institute Type" (dropdown menu), and "Institute Name" (dropdown menu). A prominent brown "Sign Up" button is located below the dropdowns. At the bottom of the form, there is a link "Already have an account? Sign in" in green text. The footer of the app displays "Version : 1.0.0".

Log in

Once logged in the dashboard will appear which will have the option to “ADD data” and “View Data” to check the entered data by the user.

STEP 4: DATA ADDITION

Click on "Add Data" to map the data

Note: Data must only be added if the user is present within the institute premises

Once the user starts adding data

Enter the name of the nodal person of Institute

Enter the registered mobile number of the Nodal Person

Enter the Email Id of the nodal person

The screenshot shows an Android application interface with a dark red header containing a back arrow and the title "Add Data". The status bar at the top shows the time 4:10 and various icons. The form consists of several sections:

- Name of the Nodal Person:** A text input field with the placeholder "Enter Name of Nodal Officer".
- Nodal Person Phone Number:** A text input field with the placeholder "Enter Institute Phone number".
- Nodal Person Email Id:** A text input field with the placeholder "Enter Institute Email Id".
- Institute Address:** A section containing three text input fields: "State" (with "GUJARAT" entered), "District" (with "Gandhinagar" entered), and "City/Location" (with "Enter City/Location" as a placeholder).
- Pincode:** A text input field with the placeholder "Enter Pincode".
- Capture Location:** A button with a location pin icon and the text "Capture Location".
- Latitude:** A text input field displaying the value "23.189760".
- Longitude:** A text input field displaying the value "72.636918".

Three lines connect the text boxes on the left to the corresponding input fields in the form: the first to the name field, the second to the phone number field, and the third to the email field.

State and District will automatically get fetched from the device GPS location

Enter the City/Location

Enter Pin Code of the Institute location

4:10   

← Add Data

Name of the Nodal Person
Enter Name of Nodal Officer

Nodal Person Phone Number
Enter Institute Phone number

STEP 6: CHECK THE ADDED DATA IN “VIEW DATA” OPTION AND IT CAN BE EDITED ALSO

Once the data is added it can be viewed by clicking on “View Data”.

If user has to make any changes, it can be done after clicking on “Edit” option

The screenshot shows a mobile application interface with a dark brown header bar. The header contains a back arrow on the left and the text 'View Data' on the right. Below the header is a white card with a light gray border containing a list of user details. At the bottom of the card is a dark brown button with the text 'EDIT' in white. A black line connects the 'EDIT' button to a text box on the left.
