(Annexure to the Ministry of Finance)

(Department of Expenditure)'s O.M. No. F. 7(5)-E V/89 dated 15th May, 1989

Central Government Employees Group Insurance Scheme, 1980

Date of effect

1. Central Government Employees Group Insurance Scheme, 1980 here-in-after referred to as the 'scheme' was notified on 1st Nov., 1980 and came into force with effect from the forenoon of 1st January, 1982.

Objective

2. The 'scheme' is intended to provide for the Central Government employees, at a low cost and on a wholly contributory and self financing basis, the twin benefits of an insurance cover to help their families in the event of death in service and a lump-sum payment to augment their resources on retirement.

Application

3.1 The 'scheme' shall apply to all Central Government servants including those in the Railways, Posts and Telegraphs and Defence except members of the Armed and Para-Military Forces who have already separate schemes of their own. Contract employees, persons on deputation from State Governments., Public Sector Undertakings, or other autonomous organisations, locally recruited, staff in the Indian Missions abroad, casual labourers, part-time and ad-hoc employees will not be covered by the 'scheme'. The 'scheme' will also not apply to persons recruited under the Central Government after attaining the age of 50 years. Such Central Government servants to whom the 'scheme' applies will hereafter be referred to as 'employees'.

3.2 Re-employed Defence personnel availing the extended insurance cover under the Group Insurance Scheme applicable to the members of Armed Forces shall not be eligible to become members of the Central Government Employees Group Insurance scheme, 1980 as long as they continue to avail such insurance cover. On expiry of that benefit and subject to fulfilment of the prescribed conditions, these personnel may, on their request, be considered for membership under the Central Government Employees Group Insurance Scheme, 1980.

Membership

4.1 The 'scheme' will be compulsory for all those 'employees' who enter Central Government service after the 'scheme' is notified i.e., all those 'employees' entering Central Government service after 1st Nov., 1980 will be compulsorily covered under the 'scheme'.

4.2 Those 'employees' who were in Central Government service on the date the 'scheme' was notified had an option to opt out of the 'scheme' by 31st January, 1981. Those 'employees' who did not opt out of the 'scheme' by that date were deemed to have become members of the 'scheme' from the date the 'scheme' came into force. Those 'employees' who had opted out of the 'scheme' were, however, allowed

further opportunities on 20th February, 1982, 14th February, 1983, 30th March, 1985 and 27th October, 1986 to become members of the `scheme'.

The option on all these occasions was to be exercised in Form No. 10. No further choice will be available to the employees who failed to avail themselves of the opportunity given on 27th October, 1986.

4.3 After the `scheme' has come into force, all `employees' who entered service on or after 2nd January of any year shall be enrolled as members of the `scheme' on the next anniversary of the `scheme'.

Subscription for members

5.1 The subscription for the `scheme' will be in units of Rs.10/- p.m. till 31st December, 1989. Thereafter, with effect from 1st January, 1990 the subscription for the `scheme' will be in units of Rs.15/- p.m. All those `employees' who were members of the `scheme' on 31st January, 1989 have an option to opt out of the `scheme' with subscription units of Rs.15/- p.m. This option should be exercised by 15th June, 1989. Those `employees' who do not opt out of the `scheme' with the subscription units of Rs.15/- p.m. by that date will be deemed to have opted for the scheme with the subscription units of Rs.15/- p.m. effective from 1st January, 1990. The option, once exercised (or `not exercised') will be treated as final and no further choice will be available. Other employees who opt out of the `scheme' with the subscription units of Rs.15/- p.m. will continue to subscribe for the `scheme' in units of Rs.10/- p.m. till they cease to be in employment with the Central Government on account of retirement, resignation, death etc.

5.2 A Group `D' employee will subscribe for one unit, a Group `C' employee for two units, a Group `B' employee for four units and a Group `A' employee for eight units. Thus, the rate of subscription for a member of the `scheme' who opts out of the scheme with the subscription units of Rs.15/- p.m. shall be Rs.10/-, Rs.20/-, Rs.40/- and Rs.80/- p.m. for Group `D', `C', `B' & `A' employees respectively. In the case of other employees the rate of subscription for the `scheme' shall be Rs.15/-, Rs.30/-, Rs.60/- and Rs.120/-p.m. for Group `D', `C', `B' & `A' employees respectively.

5.3 In the event of regular promotion of an employee from one Group to another, his/her subscription shall be raised, from the next anniversary of the `scheme' to the level appropriate to the Group to which he/she is promoted. Until, the date of next anniversary of the `scheme', he/she shall continue to be covered for insurance for the same amount for which he/she was eligible before such promotion.

For example, if the revised rates of subscription come into force w.e.f. 1st January, 1990, a Group `D' employee promoted on regular basis to Group `C' in February, 1990 shall continue to subscribe at the rate of Rs.15/- p.m. upto December, 1990 and be eligible for the insurance cover of Rs.15,000/- only in addition to the benefits from the Savings Fund appropriate to his subscription. From January, 1991 his subscription will be raised to Rs.30/- p.m. and he will become eligible for an insurance cover of Rs.30,000/- in addition to appropriate benefits from the Saving Fund.

5.4 Sometimes `regular' promotion, e.g., on `until further orders basis' cannot be made for various reasons even though it is known that the promotion of the individual is likely to continue on a long term basis. Therefore, unless a promotion

has been made for a specified or short period and expected that the employee would revert to a post in a lower group at the end of that period, he/she should be treated to have been promoted, for the purpose of the 'scheme', on a regular basis and subscription should be recovered accordingly. The question, whether an employee is likely to revert to a post in the lower Group may be decided by the administrative authorities in their discretion, taking into consideration the circumstances of each case. Once a person has been admitted to a higher Group, the rate of subscription will continue at the same level even if that person reverts to a post in the lower Group later on for any reason.

Premium and insurance cover for 'employees' other than members.

6. The 'employees' entering service on or after 2nd January, of any year will be given benefit of appropriate insurance cover from the date of joining Government service to the date of their becoming members of the scheme on payment of a subscription of Rs.5.00 p.m. as the premium for every Rs.15,000/- of the insurance cover. From the date of anniversary of the 'scheme' they will subscribe at the rate indicated in para 5.2 above.

For example, if the revised rates of subscription come into force w.e.f. 1st January, 1990, a Group 'D' employee entering service in February, 1990 shall pay a subscription of Rs.5.00 p.m. as premium for an insurance cover of Rs.15,000/- for a period of 11 months until December, 1990 and from January, 1991 his subscription will be raised to Rs.15/-p.m. and he shall become eligible for the benefits from Savings Fund in addition to the insurance cover of Rs.15,000/-. Similarly a Group 'C' employee entering service in February, 1990 will pay a subscription of Rs.10/- p.m. as the premium for an insurance cover of Rs.30,000/- for a period of 11 months upto December, 1990 and from January, 1991 his subscription will be raised to Rs.30/- p.m. and he shall become eligible for the benefits from the Savings Fund in addition to insurance cover of Rs.30,000/-

Insurance Fund and Insurance Cover for members.

7.1 In order to provide an insurance cover to each member of the scheme a portion of the subscription shall be credited to an insurance fund to be held in the Public Account of the Central Government. The amount of insurance cover will be Rs.15,000/- for each unit of subscription of Rs.15/- p.m. and Rs.10,000/- for each unit of subscription of Rs.10/- p.m. It will be paid to the families of those 'employees' who unfortunately die due to any cause, including suicide, while in Central Government Service.

7.2 The positive and negative balances under the insurance Fund shall be credited or debited, as the case may be, with the amount of interest calculated at the prevailing rate of interest on the Post Office Savings Bank Deposits, which at present is 5 1/2% per annum.

Savings Fund

8.1 The balance of the subscription shall be credited to a Saving Fund. The amount in the Savings Fund will be held by the Central Government in Public Account. The total accumulation of Savings together with interest thereon will be payable to the member on his retirement after attaining the age of Superannuation or

on cessation of his employment with the Central Government or to his family on his death while in service.

8.2 The actual benefits from the Savings Fund will be as shown in the Table to be issued for each year. The Table will be constructed on the basis of individual's subscription reduced by the cost of insurance at mortality rate of 3.60 per thousand per annum and the compound interest at the rate of 12% per annum (compounded quarterly). If at any time the rate of interest changes and/or the cost of insurance changes, the benefits available from the Savings Fund will also change correspondingly.

8.3 In the case of death of a member while in service the payment of the amount of insurance will be in addition to the payment from the Saving Fund.

8.4 The positive balance under the Savings Fund shall be credited with the amount of interest calculated at the rate of interest notified by the Ministry of Finance, Deptt. of Economic Affairs, for the purpose.

8.5 Interest was allowed at 10% per annum (compounded quarterly) on the balances in the Savings Fund for the period from 1st January, 1982 to 31st December, 1982 and at 11% per annum (compounded quarterly) on the balances in the Savings Fund for the period from 1st January, 1983 to 31st December, 1986. Interest is allowed at 12% per annum (compounded quarterly) on the balances in the Savings Fund w.e.f. 1st January, 1987.

Recovery of subscription

9.1 The subscription of a member for a month shall fall due at the commencement of the normal working hours on the 1st of that month.

9.2 The subscription as a premium for the insurance cover from the date of joining Government service to the date of membership of the `scheme' shall initially fall due from the date of joining and subsequently from the commencement of normal working hours on the 1st of every month.

9.3 The subscription for a month shall be recovered by reduction from the salary/wage of the `employee' for that month irrespective of the date of actual payment of salary/wage for that month.

9.4 The subscription shall be recovered every month including the month in which the `employee' ceases to be in employment on account of retirement, death, resignation, removal, etc., from service.

9.5 The Drawing and Disbursing Officer shall recover the subscription from the `employee' irrespective of his being on duty, leave or suspension.

9.6 No interest shall be levied on arrears of subscription if the non-recovery is due to delayed payments of salary/wage.

9.7 If an `employee' is on extraordinary leave and there is no payment of his salary/wage for any period, his subscriptions for the months for which no payments of salary/wage are made to him shall be recovered with interest rounded to the nearest whole rupee admissible under the `scheme' on the accretions to the Saving Fund in

not more than three instalments commencing from his salary/wage for the months following the month in which he resumes duty after leave. If an 'employee' dies while on extraordinary leave, the subscriptions due from him shall be recovered with interest rounded to the nearest whole rupee admissible under the 'scheme' on the accretions to the Savings Fund from the payments admissible to his family under the 'scheme'.

For example, if a Group 'D' employee proceeds on the ten months' extraordinary leave from 5.2.1990 and no salary/wage is paid to him for any day for March, 1990 to Nov., 1990, his subscriptions totalling Rs.135/- will be recovered together with the interest calculated at the compound rate of interest of 12% per annum in not more than three instalments commencing from January, 1991.

The recovery of this amount will be watched in the same manner as applicable to leave salary and pension contribution. If at any time the recovery of subscription falls in arrears, the same shall be recovered with interest admissible under the 'scheme' on the accretions to the Savings Fund in not more than three instalments.

Finance of subscription from General/Contributory Provident Fund

10.1 It will not ordinarily be permissible to finance the 'scheme' from the General/Contributory Provident Fund. However, if at any stage the position of an individual member does not permit him to subscribe to the 'scheme' and to the General/Contributory Provident Fund at the same time, he may be permitted to make, as a separate transaction a non-refundable withdrawal from the General/Contributory Provident Fund of an amount equivalent to a year's subscription paid for the 'scheme'.

10.2 The subscription to the 'scheme' will form part of the deduction allowable in respect of life insurance premium, contributions to Provident Fund etc., in computing the total income of the subscriber for the purpose of income-tax, except to the extent of the amount finally withdrawn from the General/Contributory Provident Fund on account of such subscription.

It will, however, be permissible if recovery of full subscription for one year together with interest thereon at the rate admissible on the accumulations in the Savings Fund is made from the Savings Fund amount to be paid after one year. Similarly, premium for the next six years at the rate of Rs.4.50 per month for every Rs.15,000/- of the insurance cover may also be recovered together with interest thereon at the rate admissible on the accumulations in the Savings Fund from the insurance amount to be paid after expiry of the period of seven years following the month of disappearance.

11.6 Insurance amount shall be paid to the nominees/heirs of the missing employee subject to the fulfilment of the conditions mentioned in para 11.4 even if the date of superannuation of the missing employee falls before the expiry of the period of seven years following the month of disappearance.

Action on the `scheme' coming into force.

17.1 By the 10th of the month in which the `scheme' came into force the Head of Office had to supply to the Drawing & Disbursing Officers a statement indicating the name, Group and the date of birth of every `employee' who had been in the Central Government service on the date `scheme' was notified, but has not opted out of the `scheme'.

17.2 Every member of the `scheme' shall be informed in Form No. 1 the date of his enrolment, the subscription to be deducted and the benefits to which he would be eligible. On his regular promotion from one Group to another he will be similarly informed in Form No. 2.

17.3 The option exercised by the `employees' who were already in Central Government service on the date the `scheme' was notified was to be in Form No. 3 which had to be pasted in the service book of the individuals concerned.

Register of members:-

18. The Head of Office shall ensure that Group-wise register of member is maintained in the Form No.9 and kept up to date. This register shall be sent to the D.D.O. concerned once a year to verify whether appropriate subscriptions are being recovered from all employees who have joined the insurance fund or both the insurance Fund and the Savings Fund under the `scheme' and to record a certificate to this effect.

Nominations:-

19.1 The Head of Office shall obtain from every member of the `scheme' a nomination conferring on one or more persons the right to receive the amount that may become payable under this `scheme' in the event of his/her death before attaining the age of superannuation. In the case of `employees' who join Central Government service after the date on which the `scheme' is notified such nomination shall be obtained along with joining report.

19.2 If a member of the `scheme' happens to be minor, he/she will be required to make nomination on his/her attaining the age of majority.

19.3 If a member of the `scheme' has a family at the time of his/her making the nomination he/she shall make such nomination only in favour of a member or member(s) of his/her family. For this purpose, family will have the same meaning as assigned to it in the General provident fund (Central Services) Rules, 1960 or Contributory Provident Fund Rules(India) 1962, as the case may be.

19.4 If a female member of the `scheme' by notice in writing to the Head of Office expresses her desire to exclude her husband from her family, the husband shall henceforth be deemed to be no longer a member of her family in matters to which the `scheme' relates, unless the subsequently cancels such notice in writing.

19.5 If nominated member(s) of family subsequently cease to be the member(s) of the family, e.g., minor brother crossing the age of minority, marriage of unmarried sister, remarriage of widow before payment of insurance amounts, etc, nomination made in favour of such member(s) shall become invalid.

19.6 If a member nominates more than one person, he/she should specify in the nomination the amount of share payable to each of the nominee(s) in such a manner as to cover the whole of the amount payable under the 'scheme' failing which the amount payable under the 'scheme' shall be equally distributed among the nominees.

19.7 The nomination shall be made in Form No. 7 or Form No. 8 as is appropriate in the circumstances.

19.8 A member of the 'scheme' may at any time cancel a nomination by sending a notice to the Head of Office along with a fresh nomination made in accordance with the above provision.

19.9 The nomination received from the members shall be counter-signed by the Head of Office and pasted in their service book. The Head of Office shall also make an entry in the service book that the nomination has been duly received.

19.10 If a member of the 'scheme' dies without leaving behind a valid nomination, the nomination, if made under GPF/CPF Rules may be accepted for the purpose of this 'scheme' also. Where there is no nomination even for GPF/CPF accounts, amounts payable under this 'scheme' shall be paid as follows:-

- (a) The entire amount may be paid in equal shares to widow/widows, minor sons and unmarried daughters provided that in the case of more than one widow the second and subsequent marriages were solemnised with the permission of Central Government. In the case of minor sons and daughters their mother, who is not a Muslim lady, shall be deemed to be the natural guardian to receive the amount due. Guardianship Certificate has to be produced by the minor sons and daughters of a Muslim lady.
- (b) In the absence of member(s) eligible under (a) above, the payment may be made in equal shares to other members of the family as defined in General Provident Fund (Central Services) Rules, 1960/Contributory Provident Fund Rules (India), 1962.
- (c) In the absence of member(s) eligible under (b) above also, payment may be made to other legal heir(s) not covered by items (a) & (b) above.

19.11 In the case of claimants covered by items (a) & (b) in para 19.10 the payment will be made by the Head of Office without insisting on production of Succession Certificate but in the event of payment to the claimants covered by items(c) in para 19.10 Succession Certificate issued by a competent court will have to be produced.

20. Central Government Employees Insurance Scheme, 1977:- Central Government Employees Insurance Scheme, 1977 introduced by the Dept. of Expenditure O.M. No. 60/14/77-IC dated 23rd June, 1977 will continue for those 'employees' who have opted out of the Central Government Employees Group Insurance Scheme, 1980 till they cease to be in employment with the Central Government on account of retirement, resignation, death, etc.

Accounting

21.1 The transactions relating to the `scheme' shall be accounted for in accordance with the procedure laid down separately.

21.2 Government dues recoverable from a member of the `scheme' shall not be adjusted from the amounts payable under this `scheme' except as provided in para 13.5

Interpretation and Clarification

22.1 If any categories of `employees' are not specifically classified into Group `A', Group `B', Group `C' or Group `D' their classification shall be assumed in accordance with the principles laid down in this regard under the Central Civil Service (Classification, Control and Appeal) Rules, 1965.

22.2 In the actual implementation of the `scheme' if any doubt arises in regard to the interpretation of any of the provisions of this `scheme' or if any point requires clarification, the matter may be referred to the Ministry of Finance, whose decision shall be final.

Review of the `scheme'

The working of the `scheme' will be reviewed every three years to ensure that the `scheme' remains self-financing and self-supporting.

6. Prescribed procedure of the Ministry of Finance should be followed for payment of dues in respect of AIS officers under Central Deputation: - According to the Accounting Procedure prescribed by the Ministry of Finance (Controller General of Accounts) under the Central Government Employees Group Insurance Scheme, 1980 applicable to members of All India Services, when an occasion for payment of dues under the Insurance Scheme arises in the case of members of All India Services working in or under the Central Ministry/Department etc., D.D.O. of the concerned Ministry/Department etc. will have to obtain claim for payment in the revised receipted bill (Annexure-III of the Accounting Procedure-copy enclosed) and forward it to this department after filling up of Part II thereof, for further action. The responsibility for the sanction of the amount and the issue of crossed cheque/demand draft in favour of the claimant(s) rests with this Department and the PAO accredited to them. However, recently, when a member of an All India Service retired from service while on deputation to the Central Government, the Office where he was working issued a sanction for payment of dues admissible to him from the savings fund instead of referring the case to this Department and on the basis of such sanction, the PAO accredited to them authorised the payment. 8. Accounting procedure for the Central Ministries/Departments in cases of members of AIS working in or under them (including attached and subordinate offices):- Sub-rule (3) of rule 3 of the All India Services (Group Insurance) Rules, 1981, notified vide this Department's notification No. 11024/1/81-AIS (II) dated 10th November, 1981 provides that the collection of subscriptions and payment of dues under the Central Government Employees Group Insurance Scheme, 1980, in the case of members of All India Services, shall be regulated by such instructions as may be issued by the Central Government in this behalf. [DP & AR letter No. 11024/60/84-AIS(II), dated 16/7/84]

10. Clarification under the accounting procedure applicable to AIS officers: - The following clarifications have been issued under the accounting procedure applicable to AIS Officers.

1. Allotment of Account No. - The Accounting Procedure issued by the Ministry of Finance (Controller General of Accounts) under their O.M. No. 11013/2/81/TA/3845 dated 26th December, 1981, a copy of which has been circulated among the State Governments vide this Department's letter No. 11024/3/81-AIS(II), dated 7th January, 1982, does not envisage maintenance of detailed account individual-wise of the collection of subscriptions from members of All India Services who are subscribing to the insurance scheme. There is, therefore, no need to allot any account No. to individual officers. A member of an All India Service who has been enrolled as a member of the Central Government Employees Group Insurance Scheme, 1980, under Sub-rule (1) of rule 3 of the AIS (Group Insurance) Rules, 1981, will have to be informed about his enrolment as a member of the Insurance Scheme under sub-rule (2) of rule 3 *ibid*. The subscription at the rate of Rs.80 p.m. or insurance premium at the rate of Rs.24/-p.m., as the case may be, shall be recovered from such a member of the Service by the authority paying the monthly salary to him. The Designated Drawing officer nominated by the State Government under para 5.1 of the Accounting procedure issued by the Ministry of Finance shall be responsible for the drawal in one lump sum of the total amount of subscriptions payable by all the members of the Service under the Insurance Scheme and for remitting the same to the Pay & Accounts Office, Department of Personnel & AR., Government of India, New Delhi. It will be the responsibility of the Accounts Officer of the State concerned to maintain relevant broadsheet for link and working out differences, if any, between the lump sum amount paid to the Government of India by the Designated Drawing Officer under para 5.1 of the Accounting Procedure and the actual subscription recovered, and accounted for in his books under para 4 of the Accounting Procedure referred to above. The difference could be mainly attributed to the time lag in receipt of credits relating to subscriptions recovered from officers on deputation or on foreign service.

2. Custody of nominations- In para 6 of this Department's circular No. 11024/3/81-AIS(II), dated 10th November, 1981 it has been laid down that the nomination filed by a member of the Service under the Group Insurance Scheme shall be retained by the State Government/Accountant General along with the nomination filed by him under the AIS(Provident Fund) Rules etc. However, in para 6.1 of the Accounting Procedure referred to above it has been laid down that if a member of the Service retires from service or dies while in service or otherwise ceases to be in service, the Designated Drawing Officer of the State Government concerned shall take action to obtain a pre-receipted claim from the beneficiary(s) in the prescribed form, fill in necessary details therein and forward it to the Department of Personnel & A.R., Government of India for making the payment. Unless the nomination filed by a member of the Service is under the custody of the Designated Drawing Officer, he will not be able to submit the claim from the nominee(s) to the Government of India for making payment in the case of the death of a member of the Service while in service. It is, therefore, suggested that the nomination filed by a member of the

Service under the Insurance Scheme may be kept under the custody of the Designated Drawing Officer nominated by the State Government under para 5.1 of the Accounting Procedure, referred to above.

3. Affixing of revenue stamp on pre-receipted claim- The usual revenue stamp will have to be affixed on the pre-receipted claim obtained from the beneficiary(s) in the form appended to the Accounting Procedure referred above and not in the acknowledgement obtained while handing over the cheque/draft.

4. Adjustment of Government dues- There is no provision in the Insurance Scheme for adjusting the Government dues against payment admissible from the savings fund under the Scheme except arrears of subscriptions payable by an Officer to the Scheme. Since subscription is to be deducted from the salary of a member of the Service, payment of subscription to the Scheme should not ordinarily be in arrears. It is possible that if a member of the Service dies while on extraordinary leave or immediately on return from extraordinary leave, arrears of subscription may be due from him. In such cases, the arrears of subscription due from him along with interest admissible under the Insurance Scheme on the accretions to the savings fund, shall be adjusted against the payment admissible to his family from the savings fund under the Scheme.

[DP & AR letter No. 11024/2/81-AIS(II), dated the 22nd April, 1982.]

11. *Promotee AIS officers should exercise their option within one month of their appointment about the subscription of Central Scheme or State Scheme:* - It has been decided that a State Officer promoted to an All India Service should submit his option as envisaged in the second proviso to rule 3(1) *ibid* at the time of his appointment to the Service. In case, if he fails to exercise the option, within one month from the date of his appointment to the All India Service, he shall cease to subscribe to the State Group Insurance Scheme and shall be deemed to have opted for the Central Government Employees Group Insurance Scheme, 1980, as provided in the rule quoted above. The option will have to be exercised as in form at Annexure I to this DP & AR letter No. 11024/3/81-AIS(II), dated 10.11.81.
