CIRCULAR

Subject : Organisation of All India Civil Services and Inter Ministry Tournaments-request for vaccination

Central Civil Services Cultural and Sports Board organises All India Civil Services and Inter Ministry Tournaments/Competitions in 18 disciplines of sports and culture.

2. During the last two years, due to spread of Covid – 19, many AICS and Inter Ministry tournaments could not be held. In order to organise all these Tournaments successfully, it is important that the participating players/officials/referees participate in these tournaments without fear of infection.

3. It is therefore, considered necessary that all concerned may vaccinate themselves fully before the start of AICS/Inter Ministry tournaments 2021-22 so that the tournaments are completed successfully.
